

York County Federation of Democratic Women Questionnaire January 2010

With hopes of learning members' opinions we are asking all of the YCFDW members to complete and return this survey so that we can determine your wishes for the club. Please complete and return this to Kathleen Rauhauser, 470 W. Market St., York, PA 17401 or by email to kathy3@comcast.net by February 1st. Thank you. Kathleen Rauhauser

Dues: Currently they are \$10/year. The Executive Board is recommending increasing the dues to \$15/year beginning 2011.

- I favor keeping the dues at the same amount.
 Our dues need to be increased to: Check one: \$15/yr. ____, \$20/yr. ____, \$25/yr. ____, Other \$ ____

Voter Registration

- I think the YCFDW should set up voter registration tables at different community events.
 I do not think YCFDW should get involved with voter registration.

Candidates' Contributions

Funds raised for campaign contributions will be a separate account. I favor:

- Give all the female candidates the same amount of money.
 Give male and female candidates the same amount of money..
 Give male and female candidates who are not members of YDFDW less money.
 Other, _____ please explain _____

Programs

Speakers I would like to come to our meetings include (Please list names or topics):

Scholarship: April 15th is the deadline to apply for the PA Fed. of Democratic Women's Scholarships.

- We should contribute only to the PA Federation of Democratic Women's scholarship fund.
 We should start and contribute only to our own scholarship fund as early as calendar year 2011 for York County students.
 We should start our own scholarship fund for York County students and contribute to both our own scholarship fund and PFDW's

Fund Raisers: Please mark as many as you would support.

- Jewelry sale
 Wine and cheese party
 Car wash coupon sale
 Rada knife and soup mixes
 Other. Please describe _____

Saint Patrick's Day Parade: This would be a great way for some exposure where we could hand out membership applications and voter's registration forms, and have some fun. Parade forms in front of president's home which can be staging area to leave items, extra clothing.... and have use of bathroom facilities.

I think it a great idea to be in the St. Patrick's Day Parade.

I do not think the YCFDW should be in the St. Patrick's Day Parade.

If we decide to enter the parade, the theme I prefer is:

"Céad míle fáilte" One Hundred Thousand Welcomes from the YCFDW.

May your troubles be less, your blessings be more and may many Democratic women candidates be elected to office.

Don't harp about our problems; join the York County Federation of Democratic Women to help make a change.

Other _____

Other suggestions for our YCFDW
